

National Life Member: Liz Sine - 1984 - LM23

Elizabeth Sine joined the CSPA in Ontario in 1954. She became President, Training Officer and Treasurer of Eastern Zone in 1961 with two patrollers in Cornwall, two in Napanee and ten in Oshawa. That same year, she was half of the winning Ontario Division first aid team.

During the time she was Zone President, she reactivated patrols at Northumberland and Bethany and established new patrols at Batawa and Camburn. This laid the foundation for both Kawartha and Frontenac Zones.

While on the Ontario Division Executive, she was recognized for her efforts in public Relations. When she left the Division Executive in 1976, she became the Toronto Centre Training Coordinator for Kawartha Zone for eight years. (*More information on that elsewhere in the book.*)

Elizabeth holds CSP #177 and is Life Member #23. She is married to Ian, a long-time patroller in his own right.
